Dear Anna,

I am writing to thank you for your strong collaboration with UNDP in advancing our common development goals during your tenure as Executive Director of UN-habitat, especially those issues related to human settlements and urbanization.

I am also grateful for your active support to the work of the UNDG and for consistently emphasizing on the important role of Non-Resident Agencies in helping countries to meet their development priorities.

I wish you all the very best in your future endeavours, and hope we will have a chance to reconnect in the near future.

Yours sincerely,
